Dear Dr. Nelson:

This letter is in response to the reconsideration request received by the Centers for Medicare & Medicaid Services (CMS) based on the initial determination letter dated April 12, 2022 revoking your Medicare enrollment and adding you to the CMS Preclusion List.

In correspondence dated May 17, 2022, the initial determination letter was rescinded. For your convenience, a copy of the rescission letter is included. As a result, your Medicare enrollment has been restored and you will not be added to the CMS Preclusion List. Therefore, the issue set forth in the reconsideration request dated May 4, 2022 is no longer actionable. This issue is moot, and we are unable to render a decision on the matter.

If you have any further questions, please forward your inquiries to [ProviderEnrollmentAppeals@cms.hhs.gov](mailto:ProviderEnrollmentAppeals@cms.hhs.gov) or mail it to the address above.

Sincerely,

*Timothy C. Trego*
